

Psalm 23

The Lord is my shepherd I shall not want

When I follow the path of my Soul, everything I need is provided, I always have enough

He makes me lie down in green pastures; he leads me beside quiet waters

The path that is provided is effortless; my connection to my path is found in the stillness within my Self

He restores my soul; he guides me in paths of righteousness for his name's sake.

My Soul continually provides the opportunity to express and to be the image of my Soul, and guides my Self to experience that

Even though I walk through the valley of the shadow of death, I will fear no evil; for you are with me; your rod and staff they comfort me

In this relative dual reality world of good and evil, I have the ability to overcome the duality and to be fearless; all the time that I am connected to the power and the authority of my Soul

Thou preparest a table before me in the presence of mine enemies; thou annointest my head with oil; my cup runneth over

In every moment, I am presented with the opportunity to follow my path as well as the choice not to; my path is laid out for me but I have to choose the abundance that my Soul offers over the cravings of my ego self

Surely goodness and mercy shall follow me all the days of my life. and I will dwell in the house of The Lord forever.

A wonderful Life awaits me when I follow the path of my destiny and create a reality in this physical world that is Heaven on Earth.
