

Three Divine Attributes

A Divine Attribute is a state of being that I experience as being a divine state or experience.

A divine state of being is experienced when connected to my source of emotional power and my source of mental authority that enables my physical ability.

Divine Attributes are always an expression of the triality or triune reality of my power, authority & ability

Three such attributes are the experience of being Allowing, Approving & Accepting.

Being Allowing means authorising my thoughts.

It is only allowing authorised thoughts to be present.

It is disallowing all unauthorised thinking.

Unauthorised thinking is the consequence of holding limiting beliefs and fears.

Limiting beliefs and fears disallow my authority.

They undermine my confidence in my Self.

When I confide in my True Self, I find the truth of my authority and my true authority is allowed to flow.

Allowing my true authority to flow is an expression of my true faith.

I am allowed to be whoever I choose.

When I choose to be Allowing, I connect to the confidence of my faithful authority and my expansive thoughts that direct my path in life.

Being Approving empowers my emotional energy.

My emotional energy is my power, when I approve it to be so.

When my emotional state of being is powerful, I approve of my Self.

Being approving connects my Self to my true source of power.

Connecting my Self to my true source of power requires my approval of who I am being.

Disapproving of who I am, disempowers me.

My self worth is a measure of my emotional power.

It is the value to my Self of who I am presently being.

States of being that disempower me cannot serve me and have no value.

My most valuable state of being always has my approval.

Being Accepting is the realisation of my emotional power and my mental authority as a gift to my Self.

When I allow my authority and approve my power, I accept my true ability.

My true ability is disabled by my inability to accept it.

My self esteem is a measure of the ability that I see in my Self.

My self esteem enables my ability to be realised.

My esteemed ability remains a potential, until I accept it as my reality.

When my true potential remains unrealised, I tolerate and endure my present experience of life.

When I accept my true potential and make it real, my present reality is presented as a gift to my Self.

Whatever I am unable to accept, I will forever tolerate.

I can only accept what I approve and I allow.

When I approve my allowance, I accept it as a present, as it is presented, in each and every present moment of my reality.
