"It's the vibration of my thoughts that determines the spin of my atoms, the health of my cells & the attitude of my perspective"

286.

"Freedom of Choice requires the Ability to Choose"

287.

"Prevarication is caused by too many options: Procrastination is caused by the dilemma of a duality: Fear is caused by a limiting belief"

288.

"Procrastination, Prevarication & Fear are the three causes of the inability to make a choice"

289.

"Alliance + ego = allegiance"

290.

"The need to care & the need to be needed are often the same emotional need"

291.

"The need to care for others will seriously inhibit the ability to live a care-free life"

292.

"Caring for another usually means solving their problems for them"

293.

"1% of the world population own most of the world's riches: 1% of the world population have instant access to their own emotional wealth"

294.

"My emotional power is the temper that determines the force of my authority"

295.

"My authority is not always empowered. My choice is tempered by my emotional power"

296.

"I am always free to choose, I have the authority to choose but I don't always have the power to choose"

297.

"I would probably choose not to experience most of what I have chosen to experience with the power to choose with my ego's choice"

298.

"Coaching is a process, life is a journey. When we all travel together it will be a procession"

299.

"3 dimensional relative duality can be so realistic, I often have to pinch myself, stub my toe, or hit my head, before I remember who I am"

300.

"It is empowering to let go of all the things I no longer need to have"

301.

"It is empowering to reflect on who I no longer need to be"

302.

"It is empowering to contemplate all the things that I no longer need to do"

303.

"There is a hierarchy of emotional needs that is exclusively unique to each Individual"

304.

"Expansion allows the experience of an appreciating experience"

305.

"Inflation allows the illusion of an appreciating asset"

306.

"Value is the worth of a depreciating asset: True Value is the quality of an appreciating attainment"

307.

"There's no such thing as an original copy"

308.

"Emotional Awareness is the gateway to spiritual development"

309.

"I develop my Consciousness through my spiritual awareness"

310.

"I cannot physically develop my consciousness: I am either physically conscious or asleep"

311.

**"Emotional Intelligence is Rational:
Emotional Awareness is Spiritual"**

312.

**"Affection is being emotionally
affected by someone in a positive
way"**

313.

**"I am my own best friend and I am
my own worst enemy"**

319.

"A Glutton needs extravagant excess, wants more than enough of anything & too much of everything"

320.

"A greedy, avaricious person expects other people to always please them"

321.

"Emotional awareness requires emotional realisation"

322.

"Realising my potential energy requires emotional awareness"

323.

"Potential energy is just a potential until it is realised"

324.

"Pain has an intensity that has no potential"

325.

"My pain threshold is the lower limit of my emotional energy potential"

326.

**"Science asks: Are we alone?
Religion asks: Are we all one?"**

327.

"My Soul is Truly Divine: My ego is divided by truth & untruth"

328.

"My Soul is full of Awe: My ego can be really awful"

329.

"My Soul is my Truth: My ego is my reality"

330.

"Safety & Security is an emotional perception of a comfort zone built on a mental perspective of a personal belief"

331.

"I can only be angry with an angry person: Like energy unto itself is drawn"

332.

"I am keen to influence others: I am eager to meet my emotional needs: I am enthusiastic doing what I truly value"

333.

"I cannot be in harmony with the world whilst being emotionally out of balance"

334.

"Everything in life can be seen as positive or as negative, or as being in harmonious balance"

335.

"An Intimation is a harmonious sense of intuitive communication"

336.

"Being detached with Source allows me to be attractive, sensitive, emotional, empowered, inspired & connected"

337.

"Being unattached from Source allows me to be non-attractive, individual, unique, exclusive & selfish"

338.

"Being disconnected from Source allows me to be unattractive, ugly, unworthy, inhuman & evil"

339.

"What the Soul sees as guidance & support, the ego can experience as resistance or flow"

340.

**"The 'inside out' perspective
perceives physical life from the
Soul's view of reality"**

341.

**"It is not about trying to peer
beyond the veil"**

342.

**"You cannot attain truth & balance
in a reality that includes untruth"**

343.

"Ethics based on common sense is neither ethical nor sensible because common sense although available to everyone is not common to everyone"

344.

"There is always an emotional need that your partner cannot meet: It is the nature of the beast!"

345.

"Risk obeys the law of chance not the Law of Attraction"

346.

"The reality is that nothing is at risk, except my personal perspective of reality"

347.

"Children need a playground: Where else can they experience being cowboys & indians, zombies & vampires, cops & robbers, winners & losers?"

348. "Without a full understanding of the Universal Law of Attraction, science will never be completely sure how the universe works"

349.

"Theoretical Physics is one scientist's personal guess as to how the physical universe might work"

350.

"I am here to discover, explore & experience being human: I am not here to either govern or serve humanity"

351.

"Some emotional needs drive a lust for sex, other emotional needs drive a passion for romance"

352.

"Romantic Love meets a personal emotional need"

353.

"Sexual love is Eros: Platonic love is Philo: Divine love is Agape"

354.

"Sex is an experience that happens either by me or to me: Love is an experience that happens either through me or as me"

355.

"With the Soul's perspective of life, everything makes sense: It is only the disconnected ego that experiences nonsense"

356.

"Being scient is being consciously aware of a three dimensional intuitive perception of spiritual reality"

357.

"Science is a two dimensional rational perspective of the physical world by a conscious mind"

358.

“Sigh: Life happens to me! Sci: Life happens by me! Psy: Life happens through me!”

359.

"With unconscious competence, I don't have to remember if I've done something"

360.

" Can romantic love spring forth from equanimity? You have to attain equanimity first before you can discover the answer"

361.

"In an equal society there is no such thing as positive discrimination"

362.

"A Psyche-path is the path of the Soul, often confused with a psychopath who is a madman, lunatic, nutter, head case or basket case"

363.

"Is it realistically acceptable to accept the views of most realists that there is only one reality"

364.

"Most Realists are not creating their own reality"

365.

"The paradox of every energy vibration is that it is both high & low and it is both long & short when measured with frequency & wavelength "

366.

"The longer the wavelength of an emotional feeling the more divine space I have to allow pure thoughts to manifest"

367.

"The shorter the frequency of a thought energy, the more moments of divine time I have & the purer the emotional experience"

368.

"Gravity is the magnitude of spacial energy that holds like matter together"

369.

"Only the Soul can lift the veil for its Self: Only the Self can unveil its own Soul"

370.

"Emergences don't have to be
emergencies"

371.

"My Soul has chosen my destiny, my
ego's perspective chooses how I
perceive my fate"

372.

"I am awake, alert, aware & alive
when life happens through me, as
me"

373.

"When my Self & my Soul are one, I
realise my Sovereignty & my true
Id-Entity"

374.

"Being separate, apart, singular, unique, exclusive, personal & individual are all beliefs of a divisive ego sense of Self"

375.

"Our disconnected sense of Self is called the ego, but my ego is potentially my connected sense of Self"

376.

"Those who don't care & aren't bothered are either in sensitively detached empathy or insensitively disconnected apathy"

377.

"People who care are in sympathy
with people who need care"

378.

"True compassion doesn't need to
care and doesn't care for needy
people"

379.

"The sub-conscious mind has
neither the power nor the authority
to use its imagination, only the
higher mind has that competence &
capacity"

380.

"If there are no accidents, there are no emergencies"

381.

"When life happens through me, I neither judge nor discern but accept everything that turns up as beneficial for my journey"

382.

"When life happens by me, I discern what is right or wrong & good or bad for me"

383.

"When life happens to me, I judge who is to blame & condemn or who is to praise & commend"

384. "When you take away someone's mental authority to choose for themselves, you also take away their emotional power"

385.

"Imagination is an unconscious emotional competence that requires conscious mental capacity"

386. "With enough unconscious emotional competence, I don't have to think about it because I am just inspired to do it"

387.

"Thinking is a conscious mental capacity with unconscious emotional incompetence"

388.

"Inspired Revelations are the conscious mental capacity of my unconscious emotional competence"

389.

"Is my choice of a wheat free diet going against the grain?"

390.

"My Soul never raps my knuckles as I'm quite capable of doing that my Self"

391.

"I neither live to eat nor eat to live, as one is not the purpose of the other when they are both an unconscious competence"

392.

"The writing's on the wall for those with the eyes to see: All the rest will misinterpret the message"

393.

"Just because you visit the funfair,
you don't have to experience all the
rides"

394.

"I can create a true reality or I can
cause an untrue illusion of reality"

395.

"When I create my own reality, I find
the truth or untruth in my sub-
conscious belief system"

396.

"When I believe that there is but one
reality, I seek the truth in the
outside world"

397.

"Disconnected from my Inner Source of Emotional Power, there will always be something missing, something that I need"

398.

"The quickest way to abundance is to want for nothing"

399.

"It takes two to road rage"

400.

"Having everything that you want is not the way of abundance that is enough and allows contentment"

401.

"As yet there is no cause, so far there is no effect"

402.

"It is 'as it is' because it is, 'so it is':
As is the cause so is the effect"

403.

"1 Dimensional Space has a length
or wavelength: 2D Space has an
area: 3D Space has a volume: 4
Dimensional Space has a
magnitude"

404.

"Seconds & minutes don't count but
you do"

405.

**"Don't be second, don't be minute:
Be in the moment"**

406.

**"Multidimensional energy has a
magnitude of dimensions, a
dimension of magnitude, & a
magnitude of energy"**

407.

**"Electricity is the potential
interaction of magnetic flow &
gravitational resistance"**

408.

"Magnetism is caused by energetic flow: The more aligned matter is, the more magnetic the effect"

409.

"Gravity is caused by energetic resistance: The greater the mass of matter, the greater its gravitational effect"

410.

"Allowing life to flow through me is not a process to be managed"

411.

"Fear, pain & problems all disallow life flowing through me"

412.

"I have come here to experience, explore & discover my power, authority & ability to fulfil my journey to experience, explore & discover..."

413.

"Returning home always completes the journey, but its not the reason for taking the journey"

414.

"If we think the purpose of a journey is to return home, then we have forgotten the purpose of taking the journey"

415.

"When I apply the right force in the right way, aggression & violence is never required"

416.

"Intimacy with the present overcomes the intensity of the past or the future"

417.

"Intimacy leads to fulfilment:
Intensity leads to frustration"

418.

"Intensity disallows intimacy"

419.

"We are all Peers by virtue of our need to eliminate waste"

420.

"Authentic means writing my exclusive life story about my own individual journey as my unique Book of Life"

421.

"Allegedly, at the top of the FIFA executive un-loyal payments have been made to purchase loyalty"

422.

"Science doesn't think that thought is an electro-magnetic wave"

423.

"My Peers are the people whom I attract with the same level of arrogance as myself: There is no such thing as a humble peer"

424.

"A Peerage is an appointment, not an achievement, not an attainment, not an accomplishment; neither is it a quality"

425.

"Everything appears egotistical when perceived from the perspective of the ego"

426.

"It is never wise to tread in other people's dogma"

427.

"My Soul does not choose to have aspects of its Self in conflict: This is the personal challenge for my Self & every Self"

428.

"With an unlimited flow of water, there is no reason to dam the river"

429.

"Say what you know: Express who you feel: Explain how you see it"

430.

"If you want to measure human physical potential: Use magnitude of emotional power relative to force of mental authority"

431.

"If you want to measure energy: Use force, magnitude & potential"

432.

"Without the eyes to see the bigger picture, we will have to listen to other people's stories"

433.

"If you wish to understand energy:
Think frequency, wavelength &
vibration"

434.

"The straight & narrow path is often
at the end of a long & winding road"

435.

"My Soul illuminates my Path: My
Ego chooses the way. My path is
straight & narrow: My way is a long
& winding road"

436.

"Allow fools to be foolish when they are fooled by their own illusion of reality"

437.

"If the ego was empowered & competent to determine its own path, I would encounter no resistance, no frustration, no chaos, & no confusion"

438.

"My force of will is my frust: The more I am frust rated, the more I will need: I need more & more will to overcome my frust ration"

439.

"My will power is rationed by my
'frust': The more I need to push, the
more frustrated I get & the more that
goes wrong"

440.

"Everyone likes a good deal:
Nobody likes a cheap deal"

441.

"The potential watts of electricity
are unified by the force of its voltage
& the power of its amps"

442.

"My physical energy potential is unified by my force of mental authority aligned with the magnitude of my emotional power"

443.

"The electrical potential of energy is unified with both its magnetic force & its gravitational magnitude"

444.

"Neither rich nor poor ever have enough"

445.

"The rich become a slave to money:
The poor become a slave to the rich"

446.

"Poor people believe that money buys you freedom: Rich people know that it doesn't"

447.

"Victimising villains legally is either heroism or arrogant bullying depending on the perspective of the victim"

448.

"Writer's Block is the inability to authorise the authority of the author"

449.

**"With the imagination of my Soul,
my Self creates innovative
initiatives, initiates creative
innovations & innovates creative
initiatives"**

450.

**"My sub-conscious mind was
conceived at my conception: My
conscious mind was born at my
birth: My super-conscious mind is
eternal"**

451.

"Confidence is knowing the right choice for you: Arrogance is thinking that you know what is right for other people"

452.

"When emotional energy is high enough, everything is acceptable: Being accepting is a state of being with high potential energy"

453.

"What happens through me has no need to be judged morally, legally, ethically or in principal when it is accepted as just being how it is"

454.

"What happens by me should in principal be moral, ethical & legal"

455.

"What happens to me is often unprincipled, unethical, immoral or unlawful"

456.

"Empowerment is my connection to my unconscious emotional competence"

457.

"Motivation is my awareness of the emotional competence of my will power"

458.

"Depression is my unawareness of my emotional incompetence:
Disempowerment is my awareness of my emotional incompetence"

459.

"Knowledge is a conscious mental capacity: Wisdom is an unconscious mental capacity: I know that knowledge will never make me wise"

460.

"Ignorance is an unconscious mental incapacity: Stupidity is a conscious mental incapacity: I am conscious of my stupidity not my ignorance"

461.

"When I get out of the way of thinking, I no longer get in the way of my thoughts"

462.

"Thinking is processed by me:
Thought proceeds through me"

463.

"An empowered thought always feels good"

464.

"If I think what I am thinking is an inspired thought, it isn't: When I know a thought is inspired, it is"

465.

"Inspired thoughts reveal
empowered opportunities"

466.

"You cannot be too nice, from
another person's perspective; but
you can appear too needy"

467.

"My brain processes the experiences
of my conscious mind, the thoughts
of my super-conscious mind & the
memories from my sub-conscious
mind."

468.

**"The Soul is the Creator of Reality
through its Self: It is the Sole
Creator"**

469.

**"What my ego emotionally needs is
the gateway to learning what my
Soul truly values"**

470.

**"The energetic frequency of a
thought pattern or meme is
inversely proportional to the
wavelength of the emotion on which
it is transmitted"**

471.

"An Emotion is a wavelength of energy caused by a frequency of thought that is experienced as a physical vibration"

472.

"Taking responsibility for others is a huge weight on one's shoulders that puts a big strain on one's back"

473.

"A Select Few are a few that have been selected: The Chosen Few are the few who have chosen"

474.

"Instinct is only an urge when I am not listening intuitively"

475.

"Creative imagination is the super-conscious mind freely expressing inspired thoughts"

476.

"Creativity is an imaginary process: Imagination is a creative process: I proceed to create with my imagination"

477.

"Creativity is a capacity of the mind not a process of the brain"

478.

"Imagination is a capacity of the mind not a process of the brain"

479.

"No one is ever in fear of being right: There is no pain in being good: There is no problem being innocent"
